

MOATAZ ABDELSALAM MOHAMED HOSSAIN

| Egypt | [+201099807171](tel:+201099807171) | moataz.alhosainy61@gmail.com | www.linkedin.com/in/moataz-abdelsalam-1a6270306-

I am currently a student studying data analysis enthusiastic, detail-oriented and have a strong passion for turning raw data into actionable insights. I am currently studying data analysis and am constantly improving my skills through online courses, projects and practical practice. I enjoy solving problems with data, and i aim to become a professional data analyst who can support decision-making with evidence-based insights i learned a lot of skills such as data cleaning & preparation .Data visualization (power bi, tableau, matplotlib, seaborn) .Statistical analysis .Microsoft excel (advanced level) .Sql for data analysis .Python for data analysis (pandas, numpy) .Business intelligence tools .Critical thinking & problem solving Communication of data insights

EDUCATION

MAY 2027

Bachelor's of Computer Science | Nahda University |

3.1 Gpa.Member of Univesity Nahda

EXPERIENCE

2025 – PRESENT

Data Analysis Training

Digital Egypt Pioneers Initiative – DEPI

Egypt –(March)2025-Present

SKILLS

- Data Analysis & Visualization
- Data Cleaning & Transformation
- SQL (Structured Query Language)
- Excel (Pivot Tables, VLOOKUP, etc.)
- Power BI / Tableau
- Python (Pandas, NumPy, Matplotlib, Seaborn)
- R (for statistical analysis)
- Data Warehousing & ETL Processes
- Critical Thinking & Problem Solving
- Time Management
- Decision Making Based on Data
- Microsoft Office Suite
- A/B Testing & Hypothesis Testing
- Machine Learning Basics
- Statistical Modeling & Forecasting
